CLIMATE CHANGE CENTRE  
(the Centre)**

**RESPONSE TO QUERIES**

**CONSULTANCY TO DEVELOP THREE (3) CONCEPT NOTES**

**CONTRACT #51/2022/GCF/T&T/CCCC**

**5 May 2022**

- Q1. We would like to know if an expert with +10 years of experience in sustainable energy (renewable energy, energy and resource efficiency, energy regulations) and climate mitigation sectors with specialized studies in the energy sector, would be appropriate as Key Expert 2?
- A1. Key Experts will be evaluated in accordance with the evaluation criteria contained in Section 15 of the Terms of Reference, “Evaluation and Selection Criteria”.**
- Q2. Based on our understanding Belize imposes 25% WHT for Canadian firms. Could you please confirm if rendering consulting services to the Center fall under this tax obligation or they are free from these tax obligations?
- A2. The Centre does not withhold taxes. It is the Consultants obligation to determine their tax obligations.**

**ADDEDEUM TO THE TERMS OF REFERENCE:**

**Section 15 of the Terms of Reference, “Evaluation and Selection Criteria”, has been corrected to accurately reflect the information included at Section 7, “Minimum Qualifications, Skills and Experience”.**
